

CPCCWHS1001 Prepare to Work Safely in the Construction Industry White Card - QLD (Face-to-Face Course)

Student Information and Course Outline

Construction Industry

Code: CPCCWHS1001

Title: Prepare to Work Safely in the Construction Industry

COURSE OUTLINE:

TSM Training Solutions will deliver this course under a third-party agreement with **All States Training RTO#32577**. All States Training is the registered training organisation that issues the nationally recognised certificate when a student is deemed competent in a course.

HOW IS THE TRAINING DELIVERED?

- Face-to-Face.

COURSE REQUIREMENTS:

- Be over 14 years of age.
- Provide three forms of Identification from the list below:
- Drivers Licence or Passport; and any two of the following,
- High Risk Licence with photo, Debit/Credit card or Medicare.
- Have a good understanding of the English language.
- Have a USI# before enrolment.
- Wear Long pants and enclosed footwear.

COURSE OVERVIEW:

Getting a white card is the first thing you need to do before you enter or work on a construction site in Australia, It's as easy as doing our face-to-face white card course with our expert trainers. Our face-to-face white card course is accredited and nationally recognised meaning you'll officially hold a white card on the day once you successfully pass the assessments. The information you will learn in your white card course will keep you safe in the workplace for years to come.

YOU WILL LEARN:

- Section 1: Identify Health and Safety Legislative Requirements.
- Section 2: Identify Construction Hazards and Risk Control Measures.
- Section 3: Identify Health and Safety Communication and Reporting Processes.
- Section 4: Identify Incident and Emergency Response Procedures.

COURSE DURATION:

Our face-to-face white card course will take around 4-6 hours to complete.

ASSESSMENT:

- White Card Theory assessments will be completed on the day.
- White Card Practical assessment will be completed on the day.

LICENSING REGULATION:

The National Code of Practice for white card Induction for construction work requires you to hold a general construction induction (white card) before you start working, so it's compulsory to have a white card in Australia.

QUALIFICATION OUTCOME:

Successful students receive a "Statement of Attainment", and a wallet-sized white card, you'll officially hold a white card on the day once you successfully pass the assessments.

PRICING:

\$150.00 unless discounted.

ADDITIONAL INFORMATION:

All payments must be made to TSM Training Solutions BEFORE the training commences.
