# Website Privacy Policy

Thank you for visiting our website, [www.tsmtrainingsolutions.com.au](http://www.tsmtrainingsolutions.com.au). The TSM Website Privacy Policy details how we use and collect personal information on this website. We encourage you to read this Website Privacy Policy before using the website or submitting any personal information. By using the website, you are accepting the practices described in this Website Privacy Policy. Practices regarding current and ongoing activities may change, but these changes will be updated within our Website Privacy Policy. Please review the Website Privacy Policy whenever you visit the website to ensure that you understand how your personal information provided will be used.

## Please Note

The privacy practices set forth are for this website only. If you click a link that directs you to another website, please review the Website Privacy Policy posted on that site.

## Collecting Information

We collect personally identifiable information such as names, postcode, email addresses, and other items when our visitors voluntarily submit them. The information you provide is used to fulfil your request unless you authorise us to use it for another purpose, such as adding you to one of our mailing lists.

## Cookies & Tracking Technology

Depending on the features offered, the site may use cookie and tracking technology. Useful for gathering information such as browser types and operating systems, tracking the number of visitors, understanding how visitors use the site, and customising the site for visitors, we can assure cookies and other tracking technology cannot collect personal information. However, if you previously provided personally identifiable information, cookies may be tied to this information. Aggregate cookie and tracking information may be shared with third parties.

## Distribution of Information

We may share information with governmental agencies or other companies that are assisting us in fraud prevention or investigation. Information is not provided to companies for marketing purposes.

We may do so when:

- (1) permitted or required by law;
- (2) trying to protect against or prevent actual or potential fraud or unauthorised transactions; or
- (3) investigating fraud which has already taken place.

## Commitment to Data Security

Your personally identifiable information is kept secure and only accessible to authorised employees, agents and contractors (who have agreed to keep information secure and confidential). All emails and newsletters from this site allow you to opt out of further mailings.

## WEBSITE PRIVACY POLICY Complaints, Enquiries and Updates

This policy is subject to updates from time to time and is available on request. If you have any queries, complaints or feedback about our Website Privacy Policy, please contact us at:
